DENTAL, VISION, & HEARING INSURANCE POLICY
FORM LY-DVH-BA-MS**

READ YOUR POLICY CAREFULLY! This Outline of Coverage provides a very brief description of the important features of your policy. This is not the insurance policy and only the actual provisions of the policy will control the rights and obligations of the parties to it. The policy itself sets forth, in detail, those rights and obligations applicable to both you and Loyal American Life Insurance Company. It is very important, therefore, that you READ YOUR POLICY CAREFULLY.

BENEFITS PROVIDED BY THE POLICY Your policy provides dental benefits for preventive, basic, and major services. Your policy also provides benefits for vision and hearing treatments. Benefits are paid according to the policy schedule page. If services are performed by a participating provider, we will pay for dental treatment based on predetermined fees. If services are performed by a non-participating provider, we will pay for dental treatment based on the same predetermined fees associated with a participating provider. The plan deductible, if applicable, must be met before we will pay benefits for any dental, vision, or hearing treatment.
